Infrastructure

BMS Academy is equipped with latest technology and facilities to enhance learning. We have a well-stocked library, ICT enabled classrooms and computer lab. We also provide mobile app, study material, notes, and online resources to all our students.

Teaching Methodology

We have a unique teaching methodology that focused on conceptual understanding and application. We use a combination of lecturers, interactive sessions, and group discussions to help students learn effectively. Our faculty members provide personalized attention and guidance to students, helping them overcome their weaknesses and build their strengths.

Mock Tests & Evaluation

We believe that regular evaluation is essential for effective learning. We conduct regular mock tests to assess our students' progress and identify areas for improvement. We also provide detailed feedback and analysis to help students understand their mistakes and work on them.

Admissions

We have a simple and transparent admission process. To enrol in our courses, students need to meet the eligible criteria and pay the course fee. We also offer scholarships to deserving students.
