

BMS Educational Trust

BMS ACADEMY

FOR PROFESSIONAL COURSES

THIS IS YOUR PATH TO SUCCESS IN CA, CS, & CMA EXAMS

INTRODUCTION

Founded in 1946 by Late Sri B.M. Sreenivasaiah, BMS College of Engineering holds the distinction of being India's first private sector engineering college. Under the guidance of the BMS Educational Trust, established by Sri B.S. Narayan, the trust has established several prestigious educational institutions in Bengaluru.

BMS Academy for Professional courses, provides top-notch coaching for aspiring Chartered Accountants, Company Secretaries, and Cost Management Accountants. It provides offline/online (Live) classes for the convenience of the students. The academy's faculty comprise practising professionals who bring a unique dimension to teaching through case studies, simulations, and test series. With modern infrastructure and a central location, the academy offers convenient access for students across Bengaluru. Its primary aim is to bridge the knowledge gap and increase students' success rate by providing comprehensive training, coaching, guidance, and support.

BMS Academy is recognized for empowering students and helping them achieve their career goals in the field of professional courses.The academic and administrative affairs of the academy are managed by the Steering Committee Members (SCM) appointed by BMS Educational Trust. The SCM members are as follows:

SUCCESS STORIES

Over the years, we have trained many successful candidates who have become Chartered Accountants and Company Secretaries. Our alumni have gone on to hold prestigious positions in the corporate world, and most of them have started their own practice. We are proud to have been a part of their success. We regularly invite our successful candidates to share their stories with our current students, inspiring them to work harder and achieve their goals.

INFRASTRUCTURE

BMS Academy is equipped with the latest technology and facilities to enhance learning. We have a well-stocked library, ICT enabled classrooms and computer lab. We also provide mobile app, study material, notes, and online resources to all our students.

MOCK TESTS & EVALUATION

We believe that regular evaluation is essential for effective learning. We conduct regular mock tests to assess our students' progress and identify areas for improvement. We also provide detailed feedback and analysis to help students understand their mistakes and work on them.

TEACHING METHODOLOGY

We have a unique teaching methodology that focuses on conceptual understanding and application. We use a combination of lectures, interactive sessions, and group discussions to help students learn effectively. Our faculty members provide personalized attention and guidance to students, helping them overcome their weaknesses and build their strengths.

ADMISSIONS

We have a simple and transparent admission process. To enrol in our courses, students need to meet the eligibility criteria and pay the course fee. We also offer scholarships to deserving students.
